

## SUNSET SOIRÉE GALA & AUCTION

March 1, 2026

Dear Friend of Lake Hopatcong,

Since 2012, the Lake Hopatcong Foundation has been protecting the environment and enhancing the experience on and around New Jersey's largest lake; and with your help, we continue to foster a vibrant and healthy Lake Hopatcong and surrounding community, now and for future generations.

**You can help ensure that this vital natural, recreational, and economic resource remains healthy and clean by supporting our Sunset Soirée Gala & Auction on Thursday, July 16 at Stone Water in Lake Hopatcong.** This event brings together some of our most dedicated supporters and serves as a critical fundraiser to continue our environmental, educational, community, and advocacy initiatives.

When you sponsor our Sunset Soirée Gala & Auction, you help us raise the funds needed to educate over 3,000 students through hands-on education programs; implement projects to improve our lake's water quality; bring our community together through events like the Lake Hopatcong Block Party, hikes, paddles, and programs at the historic Lake Hopatcong Station; and advocate for our lake at every level of government.

**Please consider supporting these efforts by sponsoring, donating an auction prize, advertising in our event journal, and/or purchasing tickets to the event. For more information, please visit call us at 973-663-2500 or visit [lakehopatcongfoundation.org/gala](http://lakehopatcongfoundation.org/gala).**

As thanks for your support, we will acknowledge your generosity before, during, and after the event through our e-newsletter, social media, and printed marketing materials. Many sponsorship levels also include tickets to join us on July 16. Enclosed, please find our sponsorship opportunities and the many benefits offered at each level. Please do not hesitate to reach out if you have any questions!

Thank you for supporting our efforts to make Lake Hopatcong and our community the best it can be!

With appreciation,

A handwritten signature in cursive script that reads "Caitlin Doran".
